A bit about us.....Pekin Days Art Show committee was formed in 1993. After repeated successful art exhibitions during the annual Pekin Days celebration and a growing interest from Nelson County residents, the committee applied for and received a 501c3 non-profit status under the name of Nelson County Arts Council (NCAC) in 1999. NCAC continues to operate out of the historic Pekin Auditorium.

Today, the Nelson County Arts Council produces one of the largest judged art shows and sales in North Dakota, displaying artists' work from North Dakota and the surrounding U.S. to Canada, bringing in collectors from all over the U.S.

Ours is a true “working board” that relies upon volunteers, sponsors, grants, and membership to continue providing opportunities for artists and area residents, keeping Art a valued part of everyday life in our rural communities. 2026 projects include continuing NCAC Events & completing more building maintenance and repairs.

This project is supported in part by a grant from the North Dakota Council on the Arts, which receives funding from the state legislature and the National Endowment for the Arts.”
